STUDIO 33

STUDIO 33

Studio 33 is a unique location for shooting, exclusive events, music productions and cine-tv-web formats. The physical space of 250 square meters is located in the center of Trastevere in Rome, via della Paglia 33.

Studio 33 is the perfect location for shooting in Rome, ideal for those looking for an exclusive and elegant space for photographic and video productions. We are a complete interdisciplinary creative platform for professional audiovisual productions: video shooting, live streaming, 4K projection, as well as high-quality audio.

SPACE DIVISION:

1. Listening room and format production (110sqm)
2. 4K Laser Projection Room (12sqm screen) (110sqm)
3. Audio production studio (22mq)
4. Catering area (15sqm)
5. Hair make-up and artists' dressing room (10sqm)

With spacious interiors, a vast outdoor space on the street and versatile furnishings, Studio 33 stands out as the ideal setting for photo shoots, video shoots, commercials, TV series and film productions.

PHOTOGRAPHY / VIDEO

Nikon and Fuji photographic equipment (also usable for video), Elinchrom flashes with accessories (banks octa, quadra, recta, beauty dish, umbrellas, parables) Lupo and Tecpro Felioni continuous lights are available at the studio.

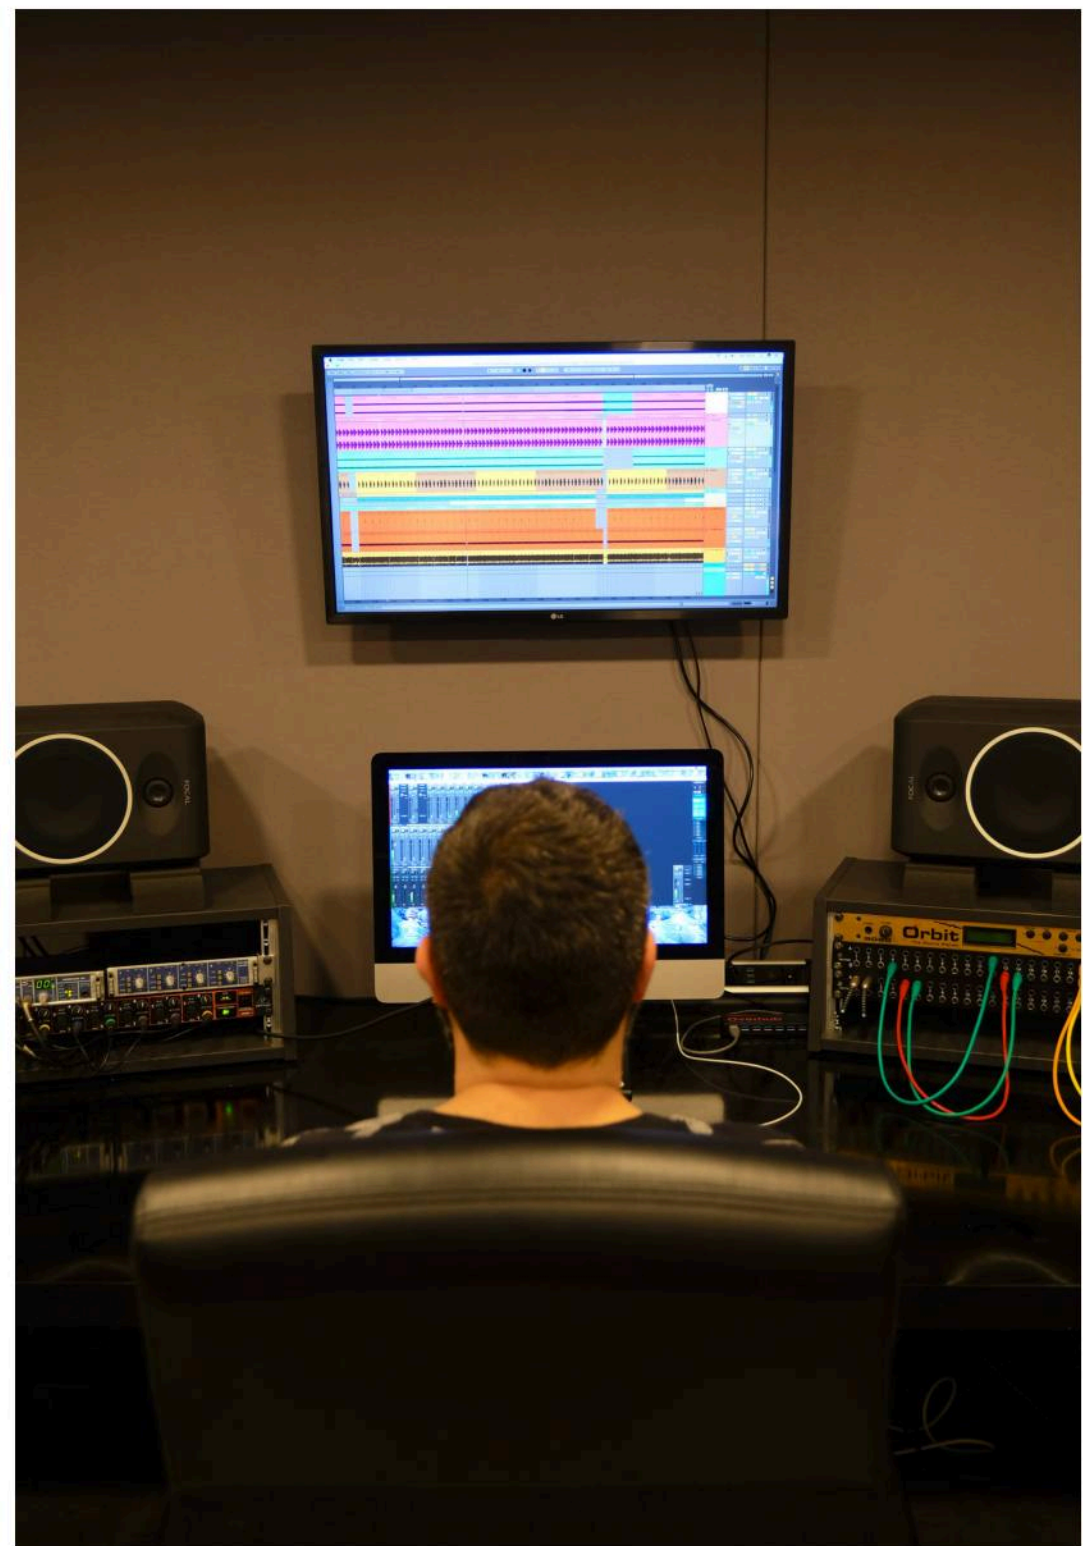

Thanks to our partnerships, we are able to provide all types of equipment and the best brands on the market, qualified assistants, post production services, make-up, hair-stylist, stylist and set design.
